

Strapped for a creative idea for your children's birthday this year? Need something different, creative and simple? Let NLPC help you solve that problem. How about a "kool" kayak paddling party to help celebrate?

This year, give the laser shooting gallery, the bouncing room and the deafening arcades a rest. Rather than having a commercialized birthday venue this year, you may want to personalize it. Have the party's guests enjoy themselves while celebrating their friend's birthday. Try this either along the shorelines of the Sam Houston National Forest or kayaks delivered to your waterfront property.

North Lake Conroe Paddling Co. of Willis rents kayaks for kid's parties. We offer sit-on-top kayaks (featured on the "Youth Kayaks" page of our web site). They are fun, safe and easy to use. The kids love them. Parents appreciate them.

Several Party Packages Available

NLPC has a grass beach feeding into a very protected area of the north side of Lake Conroe. Great for active, outdoor-loving kids! There is also a gradual sloping grassy hill leading to the beach. It has a thick canopy of trees overhead for shading AM/mid-day spectators and picnickers. Also, perfect for parents...and grandparents!

Some of the games/activities you can conduct with kayaks include:

- slalom races
- scavenger hunts
- nature exploration
- kayak soccer

Interested in doing it differently this year ? Contact North Lake Conroe Paddling co. to learn of the different birthday packages we offer. We will make it fun, memorable and easy! Email us (email links are at the bottom of each of NLPC's web pages) with your requests and proposed dates, and NLPC will respond promptly. Thank you.
